

Terms & conditions

This website is operated and owned by WID OTC LTD (referred to as "WID", "we", "us", or "our"). The terms & conditions below are the rules for how WID operates and runs this website. By using this website, you acknowledge and agree to the terms set out below and agree to be bound by and comply with these terms & conditions.

Please do not use this website if you do not agree to be bound by these terms & conditions.

1. Acceptance of terms

- 1.1. Your access to and use of WID ("the Website") and any Services referred to in Clause 2, is subject exclusively to these Terms and Conditions. You will not use the Website/Services for any purpose that is unlawful or prohibited by these Terms and Conditions. By using the Website/Services you are fully accepting the terms, conditions and disclaimers contained in this notice. If you do not accept these Terms and Conditions, you must immediately stop using the Website/Services.
- 1.2. We reserve the right to update or amend these Terms and Conditions at any time and your continued use of the Website/Services following any changes shall be deemed to be your acceptance of such change. It is therefore your responsibility to check the Terms and Conditions regularly for any changes.

2. The services

The Website provide access to a form to ask for a Consultancy, Education, Mediation or Data ("the Services"). The Services are for professional use only, as described in [disclaimer](#).

- 2.1. We provide the customers a Platform where we specialize in providing professional services tailored to specifically defined and unique needs. Furthermore, we are not regulated under the Financial Conduct Authority (FCA) in the UK, although we strive to achieve that in the mid-term horizon.
- 2.2. Our Consultancy and Education Services Include:
 - 2.2.1. **Arbitrage Advisory:** We provide insights on arbitrage opportunities, empowering you to make informed decisions about potential benefits from price differences across various parties or exchanges. Note that we don't conduct any trades or transactions on your behalf. Such services are purely educational and do not constitute advice on specific transactions.
 - 2.2.2. **International Business Consultancy:** We offer advisory services on the complexities of international business, including aspects like due diligence, verification, and risk management. We are not directly involved in any transactions or negotiations.
 - 2.2.3. **Cryptocurrency Sales Advisory:** We provide insights on the privacy, process of cryptocurrency sale, emphasizing the importance of confidentiality, security, and pricing. We don't facilitate any direct sales or purchases of cryptocurrencies.
 - 2.2.4. **Cryptocurrency Security Education:** Our advisory service shares knowledge on how to safeguard your crypto investments, discussing areas such as wallets, exchanges, and risk management. We don't provide any direct security services or guarantees.
 - 2.2.5. **Market Trend Consultancy:** We analyse market trends and provide information that may assist in formulating strategies. Our network helps us share insights on potential liquidity and favourable market conditions. We don't act as a market maker.

- 2.2.6. **Strategic Project Advisory:** We offer insights on securing project funding in strategic industries and innovative technologies. We don't directly provide any form of funding or financial assistance.
 - 2.2.7. **In Advance Order OTC Advisory:** We share information about the concept of "In Advance Order OTC" services, which involves understanding the process of placing orders in advance for buying or selling cryptocurrencies at predetermined levels. We don't execute any trades or orders. We are not directly involved in any transactions or negotiations.
 - 2.2.8. **Cryptocurrency Transaction Advisory:** We provide knowledge on transacting cryptocurrencies using fiat currency or other cryptocurrencies. We don't facilitate any direct transactions or exchanges.
- 2.3. Software is a high-performance computational engine, dynamic data generation and maintenance, reliable data security measures, and a comprehensive data analysis system, all working together to meet and exceed your business needs. Our Software Services Include:
- 2.3.1. **Advanced Computational Efficiency:** Our software, which is expertly crafted by a skilled team of developers, is an advanced and intricate system of computer programs. Designed for performing intricate mathematical sequences, the primary purpose of this software is to generate computational, machine-originated data. The system operates via globally distributed servers, with the primary hardware base situated in Central Europe. It utilizes a highly sophisticated software operating system capable of handling intensive computational workloads, carrying out complex mathematical tasks, and consistently producing streams of computed data. This allows our customers to rely on the platform for diverse and demanding computational needs, reducing processing times and improving efficiency in their workflows.
 - 2.3.2. **Dynamic Data Generation and Maintenance:** We place a particular focus on maintaining the optimal functionality of our software. It comes in machine-readable, object code form, and it is subject to regular maintenance releases and product updates. The system continually produces and adjusts computational data in real-time, integrating a variety of redistributions, analytical models, and statistical models. Our software proactively identifies and rectifies any potential discrepancies or logical flaws within these mathematical models. This constant tuning ensures the accuracy of the generated data and minimizes any functionality errors. This means clients can trust in the accuracy and integrity of the data, allowing them to make informed decisions in real-time based on reliable information.
 - 2.3.3. **Mid-Frequency Data Audit and Security:** With data being produced every 15 minutes and shared on a daily basis, our system ensures a continuous and updated data stream. The generated data undergoes recurrent self-audits performed by the software, bolstering its precision and contributing to our commitment to data integrity. To ensure the safety of your data, we have implemented robust security measures. All collected data is secured and regularly backed up at multiple locations, mitigating the risk of data loss and safeguarding against potential security breaches. These measures further ensure the reliability and integrity of the data generated by our system. This gives our clients peace of mind, knowing that their valuable data is secure, accurate, and always available.
 - 2.3.4. **Comprehensive Data Analysis:** Lastly, our software provides powerful data analysis capabilities. It has the potential to examine a wide range of data, including daily and historical datasets, delivering insights that allow for more informed decision-making. By offering the capacity to analyze diverse data sources, our clients can gain a comprehensive understanding of their business operations, identify trends, and make data-driven decisions.

3. Child supervision

- 3.1. You may use the Service only if You are at least eighteen (18) years of age and can form a binding contract with Us, and only in compliance with this Agreement and all applicable local, state, national, and international laws, rules and regulations.
- 3.2. Unauthorized Users are strictly prohibited from accessing or attempting to access, directly or indirectly, the Platform. Any such unauthorized use is strictly forbidden and shall constitute a violation of applicable state and local laws.
- 3.3. Our Website may, in its sole discretion, refuse to offer access to or use of the Platform to any person or entity, and change its eligibility criteria at any time. This provision is void where prohibited by law and the right to access the Website is revoked in such jurisdictions.

4. Privacy policy

 - 6.2.12. post, publish, distribute or disseminate material or information that you do not have a right to transmit under any law or under contractual or fiduciary relationships (such as inside information or confidential information disclosed in the course of employment or under a confidentiality agreement);
 - 6.2.13. attempt to gain unauthorized access to any of the Services, other accounts, computer systems or networks connected to the Website/Services through hacking, password mining or any other means.
- 6.3. We have no obligation to monitor the Services but shall be entitled to review materials posted to a communications facility and, at our sole discretion, to remove any material that breaches these Terms and Conditions or is otherwise objectionable.

7. Termination

We have the right to terminate your access to any or all of the Services at any time, without notice, for any reason, including without limitation, breach of these Terms and Conditions. We may also at any time, at our sole discretion, discontinue the Website/Services or any part thereof without prior notice and you agree that we shall not be liable to you or any third party for any termination of your access to the Website/Services.

8. Links to third party websites

The Website/Services may include links to third party websites that are controlled and maintained by others. Any link to other websites is not an endorsement of such websites and you acknowledge and agree that WID is not responsible for the content or availability of any such sites.

9. International use

You agree to comply with all applicable laws regarding the transmission of technical data exported from the United Kingdom or the country in which you reside (if different) and with all local laws and rules regarding acceptable use of and conduct on the Internet.

10. Intellectual property rights

- 10.1. The Website and its content (including without limitation the Website design, text, graphics and all software and source codes connected with the Website and the Services) are protected by copyright, trademarks, patents and other intellectual property rights and laws. In accessing the Website, you agree that you will access the contents solely for your personal, non-commercial use. None of the content may be downloaded, copied, reproduced, transmitted, stored, sold or distributed without the prior written consent of the copyright holder. This excludes the downloading, copying and/or printing of pages of the Website for personal, non-commercial home use only.

- 10.2. WID does not claim ownership of any data you share, upload or submit to any accessible area of the Services. However, by doing so you are granting us a world-wide, royalty free, non-exclusive right to copy, analyze, audit, verify, calculate, translate such Dataset for as long as use the Services. The access shall be terminated when such Dataset is deleted from the Services.

11. Indemnity

You agree to indemnify and hold WID harmless from and against any breach by you of these Terms and Conditions and any claim or demand brought against WID by any third party arising out of your use of the Services and/or any Dataset submitted, posted or transmitted through the Services, including without limitation, all claims, actions, proceedings, losses, liabilities, damages, costs, expenses (including reasonable legal costs and expenses) howsoever suffered or incurred by WID in consequence of your breach of these Terms and Conditions.

12. Disclaimers and limitation of liability

- 12.1. Use of the Website/Services is at your own risk. The Website/Services are provided on an "AS IS" and "AS AVAILABLE" basis without any representation or endorsement made and without warranty of any kind whether express or implied, including but not limited to the implied warranties of satisfactory quality, fitness for a particular purpose, non-infringement, compatibility, security and accuracy.
- 12.2. To the extent permitted by law, WID will not be liable for any indirect or consequential loss or damage whatsoever (including without limitation loss of business, opportunity, data, profits) arising out of or in connection with the use of the Website/Services.
- 12.3. WID makes no warranty that the Website/Services will meet your requirements, that Dataset will be accurate or reliable, that the functionality of the Website/Services will be uninterrupted or error free, that defects will be corrected or that the Website/Services or the server that makes them available are free of viruses or anything else which may be harmful or destructive.
- 12.4. Nothing in these Terms and Conditions shall be construed so as to exclude or limit the liability of WID for death or personal injury as a result of the negligence of WID.
- 12.5. Nothing in these Terms and Conditions shall affect your statutory rights as a consumer.

13. Severance

If any of these Terms and Conditions should be determined to be invalid, illegal or unenforceable for any reason by any court of competent jurisdiction then such Term or Condition shall be severed, and the remaining Terms and Conditions shall survive and remain in full force and effect and continue to be binding and enforceable.

14. Governing law

These Terms and Conditions shall be governed by and construed in accordance with the law of England and you hereby submit to the exclusive jurisdiction of the English courts.
